

Introduction

Since its establishment **TSI** has been providing services to various Clients in the Energy Sector across the MENA region. From the Supply, commissioning and testing of Electro-mechanical equipment to Business Development & Services.

With its Strategic partners in key markets and highly reliable principals, **TSI** has gradually grown to become one of the leading specialist company to serve the ever growing needs of the Power & Water Sector, for both Utilities and Oil & Gas sectors across the MENA region.

Combined with **TSI's** own offices in the UAE, Iraq, Libya , Ghana and an Industry Experience of over 120 Years , thanks to our JV partners **ROTOSTAT SERVICES PRIVATE LIMITED (RSPL)**, TSI has been able to successfully provide quality, well-organized and Competent services in the field of Erection, Testing, Commissioning, Overhauling of Gas & Steam Turbines, Generators, Pumps, Compressors, Motors, Fans of various capacities in addition to all Rotary Equipment including all types of Mechanical, Electrical and Instrumentation works in the POWER, PETROCHEMICALS, FERTILIZERS, REFINERIES & other related INDUSTRIES .

This allowed us to expand our spectrum of activities in the field of all critical Prime Movers and Static Equipment, taking active participations in critical Shut down and Annual Rate Contracts.

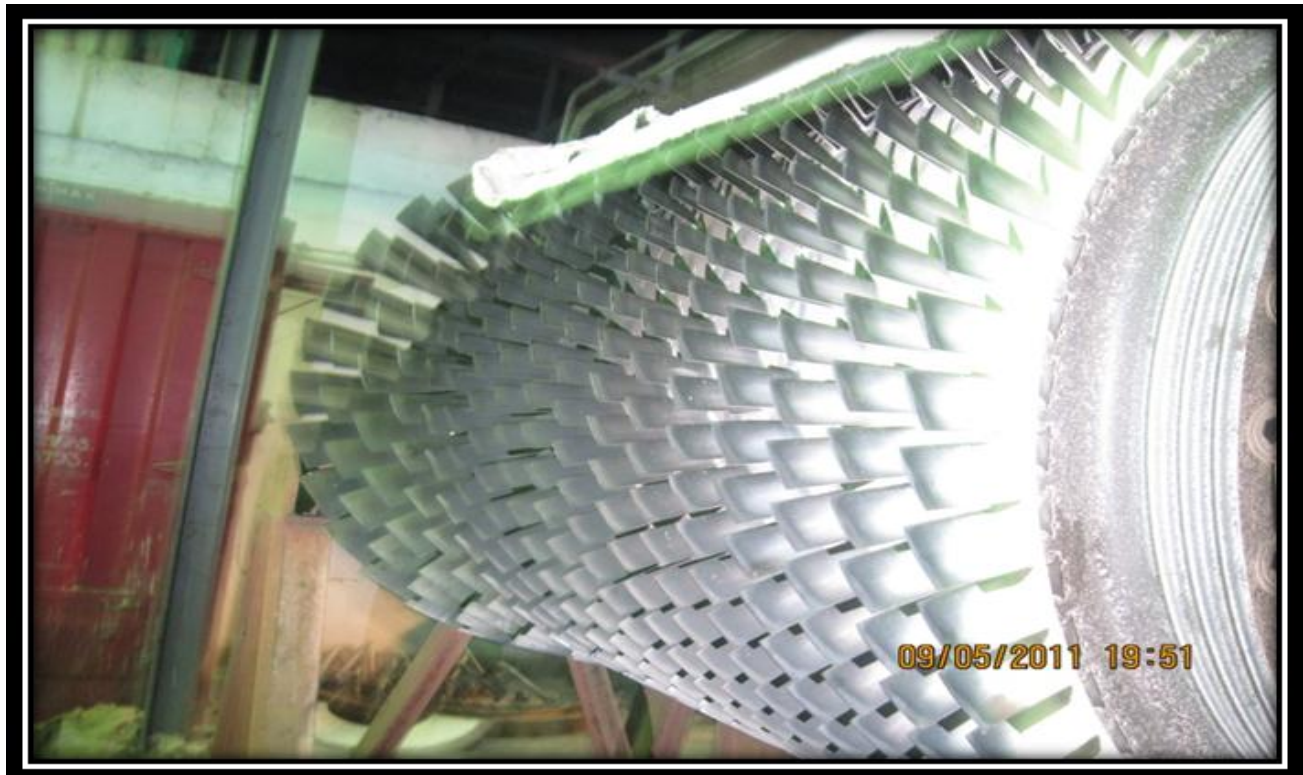

Our EXPERIENCE

- Erection / Testing / Commissioning of all types of mechanical equipment.
- Specialization in Rotary and Static Equipment.
- Repair & Overhauling, upgrade, Modernization
- Repair & Maintenance Services including Annual Maintenance Contracts under Client / OEM Supervision.
- Inspection and Installation.
- Swift mobilization of Skilled Manpower.

OUR SPECIALISATION

- Erection and Commissioning of all types of ROTARY & Static Equipment's like Gas, Steam Turbine, Diesel Generating Sets, Compressors (all types – Centrifugal / Reciprocating/ Screw), Pumps, Heat Exchangers, Pressure Vessels, and Columns etc.
- Maintenance Services of ROTARY & STATIC Equipment's including Annual Maintenance Contract.
- Over-hauling and Re-Commissioning of Gas, Steam Turbine, Turbo Blowers, Fans, Compressors etc. replacement and renewal of worn out parts.
- Highly Skilled Manpower supply to handle critical Prime Movers & Static Equipment's in ERECTION / SHUTDOWNS / PRECOMMISSIONING ASSISTANCE. _
- Send team of Engineers to countries such as Iraq, Libya, African states etc

RESOURCES & FACILITIES

- Highly skilled and experienced Mill Wright Manpower like Engineers, Supervisors, Mill Wright Technicians, Sarang, Foreman, Riggers, Electrician, C&I Engineers & Technicians familiar with all types & makes of Rotary machines
- Strong Engineering capability of planning, Cost reduction and upgrade of existing facilities to meet the future challenges.
- Annual Maintenance of plants for optimum generation/ production.
- All types of tools & plants for the execution of various projects.

AREAS OF SERVICE

TURBINE & GENERATOR

- Erection & Commissioning of all types of Gas Turbine Generator, Steam Turbine Generator, Hydel Turbine.
- Erection and Commissioning of Auxiliaries like feed pumps, heaters, Dearators, Cooling Pumps, Fans and Oil Pumps etc.
- Repair and Maintenance Services including Annual Maintenance Contract under Client / OEM Supervision.
- Upgrade, Repair, Overhauling and Re – Commissioning of Gas, Steam Turbines, Turbo Blowers, Fans, and Compressors etc.
- Replacement and Renewal of worn out parts.
- Repair, Reconditioning and Replacement of various valves.
- Repairing of EOT and Gantry crane panels.
- Skilled Manpower supply including testing and commissioning.
- Inspection and Installation of all types of rotary equipment.
- Control and Instrumentation
- Electrical

EXPERIENCE LIST – ANNUAL MAINTENANCE

Reliance Industries Limited – Dahej, India

Annual Maintenance Contract for

- 1) Rotary Equipment of CA, GCU/CKR, CPP, EOEG, ETP, EVA, IOP, OSP, HDPE, PVC, VCM Plants.
- 2) Scaffolding Jobs

Reliance Industries Limited – Patalganga, India :

Annual Maintenance Contract for Rotary Equipment of PTA, PX, LAB, EC, Utility, PSF, PFY Plants.

Reliance Industries Limited – Hazira, India :

Annual Maintenance Contract for Hazira Complex: SRA for Rotary jobs at RIL, HMD

Reliance Industries Limited – Silvassa, India :

Annual Maintenance Contract for

- 1) Fabrication, Maintenance & Heat Exchanger Jobs
- 2) Rotary Equipment Maintenance
- 3) TMT Winders & associated spinning equipments
- 4) Automatic Product Handling System
- 5) AHU Operation & Monitoring job @ POY-Utility plant

EXPERIENCE LIST – ELECTRICAL & INSTRUMENTATION

September 2012: Installation and Commissioning of the Electrical & Instrumentation work at BPCL Refinery, Mumbai, India

EXPERIENCE LIST – ERECTION & OVERHAULING OF GAS TURBINES

September 2013 : Overhauling of Chlorine Compressor at CA plant, RIL, Dahej

August 2013 : Replacement of motor at CPP-I, RIL, Dahej

June 2013 : Overhauling of Various Equipments during Shutdown of PTA Plant at Reliance Industries Ltd, Patalganga

June 2013	: Overhauling of C133- Suzler PAC & GHH machine in PTA plant, Overhauling of C3071 machine in PX plant, MANTURBO, Patalganga
June 2013	: PR for BPOL GT-3 Alignment Checking and Correction, ESSAR, HAZIRA
May 2013	: Major Inspection Job GT-2, ESSAR HAZIRA
May 2013	: Alignment work for GT-3, ESSAR HAZIRA
May 2013	: Supervisory and execution services for Standard HGPI HCPP-1 at ESSAR Steel, HAZIRA
February 2013	: Major Inspection of Gas Turbine # 2 along with up – rate at ONGC – Uran – reg
January 2013	: Overhauling of Gas Turbine Generator & Load Gear at Indorama, Port Harcourt, Nigeria.
January 2013	: Major Inspection of Fr 3 Gas Turbine at HPCL, Mumbai.
September 2012	: Major Inspection of GT 1 of Frame 6 Gas Turbine at RIL, Hazira.
August 2012	: Major Inspection of GT 4 of Frame 6 Gas Turbine at RIL, Hazira.
July 2012	: LGB Overhauling & Alignment of GT 4 at RIL, Hazira.
July 2012	: Major Inspection of GT 2 along with exhaust casing replacement work and Gear Boxes at IOCL, Baroda.
July 2012	:LGB Overhauling & Alignment at RIL Hazira.

- May 2005 : Hot Gas Path Inspection of Frame VI OF Gas Turbine No. 2 at GSEL – UTRAN.
- May 2005 : Combustion Inspection of Frame VI at IPCL – GANDHAR (BHEL – MAKE).
- May 2005 : Combustion Inspection of Gas Turbine & Generator Frame VI OF Gas Turbine No. 3. At GIPCL – BARODA (BHEL – MAKE).
- May 2005 : Combustion Inspection of Frame VI OF Gas Turbine No. 1 & 3 at GSEL – UTRAN.
- May 2005 : Major Inspection of Gas Turbine, LGB, AGB Generator 7 Auxiliaries OF Frame VI OF Gas Turbine No. 1 at HPL- HALDIA (EGT- MAKE).
- May 2005 : Combustion Inspection of Frame VI Gas Turbine at Indian Petrochemicals Corporation Limited, Dahej.
- May 2005 : Major Inspection OF Frame VI Gas Turbine at Gujarat Industries Power Corporation Limited, Baroda, Gujarat.
- April 2005 : Major Inspection of Gas Turbine at RIL - JAMNAGAR
- April 2005 : Combustion Inspection of Frame VI GT No. 1, 2, & 3 at IOC – BARODA (BHEL – MAKE).

- March 2005 : Hot Gas Path Inspection of Frame V Gas Turbine OF Thomassen make at IFFCO, Phulpur.
- March 2005 : Major Inspection of Frame V Gas Turbine at Oil & Natural Gas Corporation Limited, Hazira.
- March 2005 : Hot Gas Path Inspection of Frame VI Gas Turbine at Numaligarh Refinery, Assam.
- March 2005 : Hot Gas Path Inspection of Frame VI Gas Turbine No. 2 at NUMALI GARH REFINERY LTD. (GNP – MAKE)
- February 2005 : Major Inspection of Frame VI Gas Turbine at Gujarat State Fertilizer Corporation, Baroda, Gujarat.
- February 2005 : Hot Gas Path Inspection of Frame VI Gas Turbine at Bharat Petroleum Corporation Limited, Mumbai.
- February 2005 : Major Inspection of ABB makes 160 MW Gas Turbine at National Thermal Power Corporation Limited (NTPC), Jhanor, Gujarat.
- January 2005 : Major Inspection of Frame V Gas Turbine Generator at Indian Petrochemicals Corporation Limited, Gujarat.
- January 2005 : Major Inspection of Frame V Gas Turbine Generator at Reliance Industries Limited, Patalganga.
- January 2005 : Major Inspection of Frame V Gas Turbine at Reliance Industries Limited, Jamnagar.

TSI

EXPERIENCE LIST – ERECTION & OVERHAULING of Frame IX Gas Turbine

- June 2005 : Major Inspection OF **Frame IX** Gas Turbine OF EGT make at National Thermal Power Corporation Limited, Kawas.
- July 2005 : Hot Gas Path Inspection of Frame IX at Essar Power Limited, Hazira, Surat, Gujarat.
- July 2005 : Major Inspection of ALSTHOM makes 106 MW Gas turbine of **Frame 9 E** (unit # 2) for National Thermal Power Corporation Limited, Kawas, and Gujarat.
- Nov 2005 : Combustion Inspection of **Frame IX** of Gas Turbine No. 1 & 2. At NTPC – KAYAMKULAM (GE MAKE).
- Nov 2005 : Hot Gas Path Inspection of **Frame IX** DLN Gas Turbine No. 2 at PPCL – DELHI (GE MAKE).
- Feb 2007 : Combustion Inspection of **Frame IX** of Gas Turbine No. 1 at Pragati Power (PRAGATI – NEW DELHI).
- Aug 2007 : Hot Gas Path Inspection of Frame IX Gas Turbine # 1 Essar Power Corporation Limited, Hazira, Surat, Gujarat.
- Dec 2007 : Major Overhauling of **Frame 9E** Gas Turbine & Generator at Essar Power Hazira.
- July 2008 : Hot Gas path inspection of **Frame -9** GT # 2 at NTPC – Kayamkulam
- Oct 2008 : Damages assessment & rebuild of Frame 9E GT# 2A at NTPC Kawas, Surat.
- Jan 2009 : Train alignment of Frame IX Gas Turbine (unit no. 1&2) at Essar Power, Surat
- June 2009 : Hot Gas Path Inspection of Frame IX GT #4 at GIPCL Baroda

EXPERIENCE LIST – ERECTION & OVERHAULING OF GAS TURBINES

- August 2009 : Hot Gas Path Inspection of Frame IX GTG at Bhandar Power Limited, Hazira.
- Jan, 2010 : HGPI of Frame – IX Gas Turbine at Essar Power Ltd, Hazira
- June, 2010 : Train Alignment of Frame IX GTG 1 at Essar Jamnagar.

- July, 2010 : Hot Gas Path Inspection of Frame 9 at GIPCL Baroda
- July, 2010 : Hot Gas Path Inspection of Frame 6 Gas Turbine at Essar Power Limited Hazira
- March, 2011 : Extended HGPI along with bearing No 2,3,4,5 Inspection, Generator Rotor replacement and Load coupling replacement of GTG 1 at Essar Power Limited Hazira, Surat, Gujarat – India .

EXPERIENCE LIST – ERECTION, TESTING, OVERHAULING, COMMISSIONING OVERHAULING OF STEAM TURBINES

- August 2013 : Overhauling of Steam Turbine 18MW & Gear Box at Dalmia Cement Plant, Trichy Tamil Nadu
- February 2013 : Overhauling of Franco Tosi Steam Turbine 205MW at RLPC, Qatar.
- December 2012 : Erection & Commissioning of Siemens Steam Turbine at GFL Dahej, Gujarat.
- April 2012 : Overhauling of Franco Tosi Steam Turbine 205MW at RLPC Qatar.
- December 2011 : Services of STG#2 Minor Inspection at Bhandar Power Limited Hazira
- January 2011 : Overhauling of MITSUI make STG # 2 at HPCL, Mumbai.
- December 2010 : Overhauling of MITSUI make STG # 3 at HPCL, Mumbai.
- June 2010 : Alignment of Steam Turbine to compressor and Compressor to expander at Deepak Fertilizer Talaja.
- June 2010 : Overhauling of Cracked Gas compressor Turbine at RIL, Dahej.
- June 2010 : Alignment of Steam Turbine to compressor and Compressor to expander at Deepak Fertilizer Talaja.
- June 2010 : Overhauling of Cracked Gas compressor Turbine at RIL Dahej.
- April 2010 : Overhauling of 7.2 MW Mitsui make at HPCL, Mumbai.
- October 2009 : STG Inspection with train alignment at BPOL, Hazira, Surat.
- July 2009 : Overhauling of 57 MW Steam Turbine Siemens-5569 (STG1) at Bhandar Power Limited.

EXPERIENCE LIST – ERECTION, TESTING, OVERHAULING, COMMISSIONING OVERHAULING OF STEAM TURBINE GENERATOR

- March 2009 : Overhauling of Steam Turbine, 2MCL527 & 2BCL306a of Co2 Compressor Train of Urea-II, Iffco, Anola
- August 2008 : Erection & Commissioning of on – line water wash system of Fr-9 GT # 1 at NTPC – Kayamkulam.
- June 2008 : Erection & Commissioning of 15 MW STG API Ispat Raipur
- June 2008 : Erection, Testing, Pre – Commissioning and Commissioning of 1 X 33 MW STG Sets at M/S HEG, Mandideep.
- April 2008 : Erection Testing & Commissioning Together with Material Handling of 1 X 21 MW STG (Frame – V GT) with Auxiliaries & piping ETC for 1 X 31 MW GTG based Cogeneration Captive power plant of BRPL DHDT Project at Bongaigaon Refinery & Petrochemicals Ltd. Assam
- January 2008 : Bearing & Mechanical Seal Replacement Job (STG) in RIL Vadodara.
- January 2008 : Bottom Shaft & Bearing Replacement Job (STG) in RIL Vadodara.
- January 2008 : Steam Turbine (Scoda) Alignment Job in Essar Steel Hazira, Surat.
- January 2008 : Overhauling & Commissioning of Various Steam Turbine, Reciprocating & Centrifugal Compressors in IFFCO, Phulpur.
- January 2008 : Bearing Inspection Job of Steam Turbine in United Phosphorous.
- January 2008 : Steam Turbine (HP) Overhauling in IOCL, Mathura.
- December 2007 : Overhauling of 30 MW Turbine & Generator (Two Units) At Torrent Power - Ahmedabad
- December 2007 : Overhauling of Mitsui GTG 7 MW at HPCL Mumbai
- November 2007 : Overhauling of Steam Turbine (TK – 1421) for Process Air Compressor (PAC) in Amm - I Plant at IFFCO – Bareilly
- September 2007 : Overhauling of 15 MW back pressure type Nippon make STG(including replacement of rotor & diaphragms) at Birla Cellulosic, Kosamba, Kharach, Surat, Gujarat.

- July 2007 : Overhauling of Gear Box of 55 MW Steam Turbine with Bearing Inspection of Generator and Alignment of Entire Train for Axial Condenser in BHANDER POWER HAZIRA (SURAT)
- June 2007 : Erection & commissioning of 15 MW STG at API Ispat, Raipur
- April 2007 : Overhauling of Siemens Make Turbine Mode EHNK – 25/28/19 – 3A in Methanol Plant at Deepak Fertilizer, Taloja.
- March 2007 : Overhauling of 55 MW BHEL Make Steam Turbine at GIPCL, Baroda.
- March 2007 : Swapping of GTG Generator Rotor with STG Generator Rotor at IPCL, Nagothane.
- February 2007 : Erection & Commissioning of 16 MW STG at Century Mills at Lalkuan, Uttaranchal.
- February 2007 : Overhauling of Steam Turbine and Alignment with Gear Box at Bhander Power Surat.
- February 2007 : Overhauling of Steam Turbine and Generator at IPCL, Nagothane
- January 2007 : Overhauling of Siemens Make Steam Turbine with Charge Gas Compressor, Propylene Gas Compressor and Ethylene Gas Compressor in GOP Plant at IPCL Baroda.
- January 2007 : Overhauling of STG at GIPCL, Vadodara.
- August 2005 : Overhauling of 210 MW of Steam Turbine of LP Turbine overhauling, HPE Inspection, FS Inspection and Auxiliary systems overhauling at Nuclear Power Corporation of India Limited, TARAPUR, and MAHARASHTRA.
- July 2005 : Major Overhauling of 50 MW BHEL make Steam Turbine Generator at Gujarat Industries Power Corporation Limited, Gujarat.

EXPERIENCE LIST – ERECTION, OVERHAULING, MAINTENANCE / REPAIR OF COMPRESSORS , PUMPS AND OTHER ROTARY EQUIMENTS

- Fin fan inspection & PM job at RIL, Hazira.
- Overhauling of Kobe compressor at RIL, Dahej
- Overhauling of K950 & K320 Compressor at RIL Dahej.
- Shutdown job of Cycle Gas Compressor & Gear Box Train Configuration (MITSUI ENGG & SHIPBUILDING CO.) at Reliance-Nagothane.
- Shutdown job of EO Compressor & Gear Box Train Configuration (IHI, Japan make) at Reliance-Nagothane.
- Overhauling of Main Air Blower and Flue Gas Expander (JAMNAX – 3) at RIL Jamnagar
- Overhauling & Recommissioning of 11.5 MW Siemens Charge Gas Compressors at IPCL, Baroda.
- Overhauling & Recommissioning of Siemens Synchronized Gas Compressor at IPCL, Baroda.
- Overhauling of Compressor and other critical machine at CAN Plant, IPCL, Baroda.
- Turbine Compressor & other critical machine of PPCP/VC at PVC Plant, IPCL Baroda.
- Compressor Overhauling at MEG Plant, Reliance Industries Limited – Hazira, Surat.
- Compressor Overhauling in LLDPE, MGCC Plant at IPCL, Nagothane.
- Demag Air Compressor of EQ-UB-II at IPCL, Baroda.
- Borsig Compressor Erection for Thomassen International, Rheden at NFL, Vijaypur.
- Compressor Erection for Thomassen International, Rheden at IFFCO, Aonla.
- Overhauling OF Elliot make Compressor at Reliance Industries Limited, Hazira – Surat.
- Compressor Inspection of Gas Turbine Frame VI at Indian Oil Corporation, Surat.

- Installation of Compressor and connected accessories at IFFCO, Phulpur.
- Preventive Maintenance jobs at GOP, EG, EQ /UBII, LEPE, PPCP, VCM/PVC, CAN & IOP Plants at IPCL, Baroda.
- Pumps Overhauling, Extruder Modification in LDPE Plant, Turbine Overhauls in CPP Plant, Rotary Pump Overhaul in LLDPE Plant at IPCL, Nagothane.
- Reactor Recirculation Pump (2NGO1B) – Overhaul at Tarapur Atomic Power Station for Nuclear Power Corporation.
- Overhauling of Auxiliaries of Boiler Feed Pumps and Turbine drives at Tata Power Company, Trombay Generating Station, Chembur, Mumbai.
- Manpower Supply for Turbine Set (TG-1) in IOP Plant at IPCL, Baroda.
- Rerating of Elliot make Compressor at HPCL, Mumbai.
- Overhauling of NG Compressor Drive Turbine at IFFCO-Kalol
- Preventive Maintenance jobs in various plants at IPCL – MGCC Division, Nagothane.
- Dismantling, Inspection, Reinstallation and alignment of Motors at PTA Plant, Reliance Industries Limited – Hazira, Surat.
- Dismantling, Inspection, Reinstallation and alignment of Motors at PTA Plant, Reliance Industries Limited – Hazira, Surat.
- Maintenance jobs at CES, Reliance Industries Limited – Hazira, Surat.
- Maintenance job in CPP & Chlor Alkali Plant at IPCL, Dahej.

- Erection, Testing of Compressors (05 Nos.) in FCCU Plant at Reliance Petroleum Limited, Jamnagar.
- Maintenance of Charge Gas Compressor, Propylene & Ethylene Turbine in GOP Plant at IPCL, Baroda.
- Preventive Maintenance of Pumps at PTA – 1 & II Plant at Reliance Industries Limited, Hazira, Surat.
- Major Inspection of Compressor of Frame VI at Chambal Fertilizers & Chemicals Limited, Kota. (Rajasthan)
- Specialized jobs (Rotary Equipments) at CPP, CA, VCM, and PVC Plants at IPCL, Dahej.
- Overhauling of CGC, C 3R & B-900, C 3R TTV gasket replacement, pump preventive maintenance at Cracker Plant, Reliance Industries Limited, Hazira, Surat.
- Decoupling of Motors and Alignment & Boxing up L.T. & H.T. Motors at Chambal Fertilizer & Chemicals Limited – Kota, (Rajasthan).
- MC – 200 Compressors Overhauling in MEG Plant at Reliance Industries Limited – Hazira, Surat.
- Pressure Centrifuge Replacement job M2-1411-B, 5th & 6th stage Rotor Inspection of PAC-C2-113. Removal, Box-up and Alignment OF various motors at PTA Plant, Reliance Industries Limited -Hazira, Surat.
- Dismantling & Reassembly of Extruder Motor Rotor in PP Plant at Reliance-Hazira, Surat.
- Dismantling, Removal of Screw from Main Extruder & Internal Inspection in PP Plant at Reliance – Hazira, Surat.
- Replacement of Reactor, Agitator seal in PP Plant at Reliance-Hazira, Surat.
- 78 Nos. Motor Dismantling & Alignment in PP Plant at Reliance-Hazira, Surat.
- Overhauling of CO2 Ammonia Refrigeration Compressor Trains at Chambal Fertilizers & Chemical Limited –Kota. (Rajasthan)

- Dismantling, Inspection & Alignment of Pumps with Motors at Reliance Industries Limited- Hazira, Surat.
- Overhauling & Modification in P-105-A, P-101 A/B, P-107 A/B & P-201 A/B pump, motors and base frame work at Aromatics, Reliance Industries Limited-Hazira, Surat.
- Manpower Services for Preventive Maintenance of Agitator, ID & FD Fans, Blowers, Pumps and other related jobs at PVC Plant, Reliance Industries Limited-Hazira, Surat.
- Manpower Services for Preventive Maintenance related jobs at PTA-I Plant, Reliance Industries Limited-Hazira, Surat.

- Maintenance jobs at CES, Reliance Industries Limited-Hazira, Surat.
- Reactor Recirculation Pump (INGO1A) – Overhaul at Tarapur Atomic Power Station for Nuclear Power Corporation.
- Major Overhauling of Recycle Gas Compressor and its Drive Turbine at BPCL, Mumbai.
- Pump with Motor Alignment at CA Plant, IPCL- Dahej.
- Dryer Roller replacement, ID & FD Fan replacement, Agitator seal cartridge replacement at PVC Plant, IPCL- Dahej.
- Major Inspection OF Compressor at IPCL, Nagothane.
- Major Inspection of Compressor at Unit IV, DVB- New Delhi.
- MC-200 Compressor overhaul job at MEG-II Plant, Reliance Industries Limited-Hazira, Surat.

- Preventive Maintenance jobs for Pumps & Auxiliaries at CPP-U Plant, Reliance Industries Limited- Hazira, Surat.
- Major Overhauling job OF CO2 Compressor Drive Turbine at KRIBHCO, Hazira- Surat.
- Compressor overhauling at GOP Plant, IPCL - Baroda.
- Overhauling & Preventive Maintenance of Steam Turbines & Compressor Trains- 103 J Train, PM of 103 JAT/JLP/JHP, 102-J Train, 800-J Train, 101-J Train, 105 J Train, 101-B j Train at Ammonia Plant, IFFCO Kalol.
- Various motors, Pumps & Electrical works at PVC Plant, Reliance Industries Limited- Hazira, Surat.
- Overhauling of various rotary equipments at PP- IV Plant, IPCL-Baroda.
- Dismantling, Inspection & Reinstallation of motors of various sizes at PTA, Reliance Industries Limited- Hazira, Surat.
- Dismantling, Inspection & Reinstallation of motors of various sizes - MEG, Reliance Industries Limited- Hazira, Surat.
- Overhaul of Propylene Turbine at Cracker Plant, Reliance Industries Limited – Hazira, Surat.
- Overhaul of 2.65 MW motor at ONGC, Uran.
- Major Overhauling of Recycle Gas Compressor and Its Drive Turbine at BPCL, Mumbai.
- Motor Alignment at CA Plant, IPCL – Dahej.
- Dryer Roller Replacement, ID & FD Fan Replacement, Agitator Seal Cartridge Replacement at PVC Plant, IPCL – Dahej.
- Major Inspection of Compressor at IPCL, Nagothane.
- Major Inspection Including Compressor at Unit IV, - CVB – New Delhi.
- Various Motors, Pumps & Electrical Works at PVC Plant, Reliance Industries Limited – Hazira, Surat.
- Overhauling of Various Rotary Equipments at PP – IV Plant, IPCL – Baroda.

- Overhauling of MC-200 Radial Compressor at MEG- Reliance Industries Limited-Hazira, Surat.
- Dismantling, Inspection & Reinstallation of Motors of Various Sizes at PTA, Reliance Industries Limited – Hazira, Surat,
- Dismantling, Inspection & Reinstallation of Motors of various size at MEG -Reliance Industries Limited - Hazira, Surat.
- Preventive Maintenance of Fin Fan, Dryers, Motors at PTA- Reliance Industries Limited-Hazira, Surat.
- Overhaul of Propylene Turbine At Cracker Plant, Reliance Industries Limited Hazira, Surat.
- Overhaul of 2.65 MW Motor at ONGC, Uran.
- Overhauling of 1980 KVA Alternator at Hindustan Antibiotics Limited, Pimpri, Pune.
- Overhauling & Preventive Maintenance of Rotating Equipment in Ammonia Plant at IFFCO, Kalol for Alstom Power Limited.
- Overhaul of 11 KV motor at Rashtriya Chemical Fertilizers, Thal.
- Preventive Maintenance of Agitators, Blowers, Mixers, Pumps etc. at PVC, Reliance Industries Limited-Hazira, Surat.
- Overhauling of Bagging Plant of PVC at Reliance Industries Limited-Hazira, Surat.
- Motor Erection at Fine chemical, Reliance Industries Limited-Hazira, Surat.
- Overhauling of Elliot Compressor at VCM Reliance Industries Limited -Hazira, Surat.
- Reactor Recirculation Pump A Casing Gasket Replacement & Pump Overhaul at Tarapur Atomic Power Station for Nuclear Power Corporation.
- Overhaul of 2.65 MW motor at ONGC, Uran.
- Overhaul of 6.5 MW Alternators at BILT, Karwar, Goa.
- Complete Motor Overhauling (i.e. Bearing Change

Cleaning), Alignment of 600KW, 3 Phase 6.6 KV Induction Motor for MCC PTA India Corp. Private Ltd., Calcutta

- Replacement of HP motor bearing at Indian Petrochemical Corporation Limited, Baroda.
- Overhaul and Alignment of all critical rotary equipments works at Indian Petrochemical Corporation Limited, Dahej.
- Motor removal, shifting and realignment at Reliance Industries Limited, Hazira.
- Overhaul of 1890 KVA Alternator at Hindustan Antibiotics Limited, Pimpri, Pune.
- Gearbox Modification at PP, Reliance Industries Limited-Hazira, Surat.
- Overhauling of Crack Gas Compressor, Propylene Gas Compressor and Turbine at Cracker, Reliance Industries Limited - Hazira, Surat.
- Overhauling of Demac Make, PTA-II Air Compressor at Reliance Industries Limited, Hazira – Surat.
- Overhaul of 3100HP DC machine at Indal, Taloja.
- Revamping of Mix C4 Compressor 65-17-402 at GOP, IPCL, Dahej.
- Overhauling of MC-200, Mitsubishi Make Air Compressor at MEG-I, Reliance Industries Limited, Hazira-Surat.
- Overhaul of 9 MW motor at Ispat Metallic.
- Deployment of support for Overhauling of Unit 1 , 2 , 3 , 4, and horizontal shifting of Conveyor in Ash Handling Area
- Overhauling of Air Compressors C 101 & Refrigeration compressor C 1101 of Ammonia plant at Gujarat Narmada Valley Fertilizers Company Limited, Bharuch, Gujarat.
- Overhauling of 3100 HP DC Motor at Mukund Industries, Kalwa, Navi Mumbai

- Motor Lifting, Shifting and Alignment job up to 160 KW – 50 Nos at Reliance Industries Limited, Hazira.
- Overhauling of MC-200 Mitsubishi Make Air Compressor at Reliance Industries Limited, Hazira.
- Overhauling of Oxygen Compressor at reliance Industries Limited, Hazira.
- Overhauling of CG Compressor, CG, C2R & C3R Turbine jobs at Indian Petrochemicals Corporation Limited, MGCC, Nagothane.
- Overhauling of Hyper Compressor (30K03) at Indian Petrochemicals Corporation Limited, MGCC, Nagothane.
- Overhauling of Primary Compressor (30K02) at Indian Petrochemicals Corporation Limited, MGCC, Nagothane.
- Overhauling of PP Extruder Gear Box & Debottlenecking at Indian Petrochemicals Corporation Limited.
- Extruder Debottlenecking at Indian Petrochemicals Corporation Limited, MGCC, Nagothane.
- Overhauling of Pump – Motor & Alignment from 20KW to 3400KW at Indian Petrochemicals Corporation Limited, MGCC, Nagothane.
- Overhauling of Compressors of various makes and capacity at NOCIL, Mumbai.
- Overhaul of Gas Compressor And Turbine At Indian Petrochemical Corporation Limited, Nagothane, Mumbai
- Overhauling of HP & LP Turbine, CIES Valve, HP Governor Valve and Insitu Inspection of Generator Rotor at Kakrapar Atomic Power Station, Surat
- Overhauling of 12 MW Extraction Cum Condensing GDR make TG set at Grasim Industries Limited, Nagda, M.P. for Alstom Power.
- Overhauling of 185 MW STG at ESSAR POWER LIMITED HAZIRA, GUJARAT.
- Overhauling of 210 MW STG at Nuclear Power Corporation, Tara pore, Maharashtra
- Overhauling of 25 MW STG at Indian Petrochemical Corporation Limited, Nagothane, Maharashtra.
- Overhauling of 42 MW SKODA Steam Turbine at Reliance Industries Limited, Hazira

- Inspection & Bearing Replacement in Air Compressor of Reliance Industries Limited, Patalganga.
- Overhauling of Rotary Equipments at NOCIL, Reliance Industries Limited, Mumbai.
- Compressor Overhauling in LLDPE, MGCC Plant at IPCL – Nagothane.
- Damage Air Compressor of EQUB – II at IPCL – Baroda.
- FR – V GAS Turbine / Borsig Compressor Erection of Thomassen International by Rheden at NFL – Vijaypur.
- FR – V Gas Turbine / Compressor Erection for Thomassen International by Rheden at IFFCO – Aonla.
- Erection Elliot Make Compressor At RIL – Hazira, phase – II, Surat.
- Installation Work of GT & Compressor with Connected Accessories IFFCO – Phulpur.
- Compressor Overhauling Work at HPCL – Mumbai.
