To whom it may concern

Subject: Performance Letter for our order no. 268554

We wish to Certify that we had placed an order mentioned in the above subject to Technical Solutions to Industry (TSI)- UAE on 17th of April 2012 , for the supply of 15 x low voltage panels with different main breaker sizes ranges between (30 Amps and 200 Amps) to one of our projects in Iraq.

The number and the ratings of the outgoing breakers per panel were provided in line to our order and the aftermarket sales for the vendor have been satisfactory in all levels.

Very truly yours,

GAFFNEY-KROESE SUPPLY CORP
